

SANCTUARY EXPLORATIONS

VIRTUAL NATURALIST CRUISE TO THE FARALLON ISLANDS

October 21 at 7pm & October 24 at 10am

Get Into Your Sanctuary with Greater Farallones naturalists for an adventure into San Francisco's ocean wilderness. Traveling under the Golden Gate Bridge, we will journey 27 miles west to the mysterious Farallon Islands and beyond! While underway we will search for humpback and blue whales, seals, sea lions, porpoises, sharks, seabirds including tufted puffins and common murres, and other ocean wildlife! Greater Farallones National Marine Sanctuary protects the wildlife, habitats, and cultural resources of one of the world's most diverse and bountiful marine environments, an area of 3,295 square miles off the north-central California coast. Join our virtual expedition followed by live Q&A with sanctuary staff.
